

**MFM Bulletin: 002-2026**

**Date:** February 2, 2026

**Subject:** Updated Underwriting Overlays and Credit Score Requirements

We are pleased to announce that MFM has updated its credit scoring requirements for serviced retained FHA and VA loans, lower the minimum from 600 down to 580.

We have also removed the requirement for conventional loans that borrowers must have credit scores. Secondary market released investor restrictions and/ or overlays may apply. You will need to contact our Secondary Marketing department before locking service released loans with no credit scores.

The following requirements apply:

- All borrowers may have no credit score. Findings must be Approved/Eligible all AUS requirements relating to “No borrower with credit scores” must be met.
- If only one borrower has a score then AUS must be Approved/Eligible or Accept AND all AUS requirements relating to “one borrower without credit score” must be met.
- **Borrowers without a credit score must have current housing expense.** Copy of lease and 12 months cancelled checks or 12 months bank statements required – no private VOR allowed. No exceptions.

We have also updated our MFM Overlays to reflect these changes and provide the following updates:

- Added requirement that all outstanding tax liens must be paid in full either before or at closing
- Updated minimum conventional credit score 580 (Fannie/Freddie)
- Added MI requirements relating to reduced MI levels on AUS and that Lender paid monthly or annual and borrower paid annuals are not allowed.
- Clarified that Non-US citizen borrowers living in US under DACA are not eligible for FHA.

Please contact Pam Trudeau, VP of Credit Policy at [Pam.Trudeau@memberfirstmortgage.com](mailto:Pam.Trudeau@memberfirstmortgage.com) if you have any questions or concerns pertaining to this update.

Thank you
